Albert,

Thank you much, I did lock it best I could, so the lock seems temporarily secure , but probably s good idea to send that person.

FYI, there were broken beer bottles, a condom, and other paraphernalia there this am when I in a struggle, locked it. Also, to make you aware , whomever your staff is who's locking the Park at night, they are periodically locking transients inside, see picture I took this morning while De Longpre Park was still locked up from last night. This is a liability for the city , so we have to be sure everyone has exited when locking up the park at night.
